Resident & Dental Student Poster Session
Requirements & Guidelines

2015 ACP Annual Session | Session will be held Thursday, Oct. 22, 11:30 a.m. – 2:00 p.m.

Overview
The purposes of the Poster Presentations are to promote the research of prosthodontics and engage residents and predoctoral dental students. The poster can be a presentation of research results, clinical outcomes, laboratory techniques, or topics of general interest to the American College of Prosthodontists' members and guests. It is intended to highlight the scholarly activity of the residents and dental students. Commercial presentations are not appropriate for this session.

The Poster Presentations will be in poster format similar to AADR/IADR with the guidelines outlined below.

Applications are due August 5, 2015. Applications received after the deadline will not be eligible to participate.

******Please Note: You will receive an email confirmation within 1 week confirming receipt of your application. If you do not receive a confirmation, please call the ACP Central Office at 312-573-1260 to confirm receipt of your application. Receipt of the application does not guarantee it will be accepted. Acceptance emails will be sent the week of September 7. The ACP will not accept late applications.

Send email applications to:
Caroline Nguyen, DMD, MS, FACP
Chair, ACP 2015 Resident & Dental Student Poster Session
education@prosthodontics.org

Requirements:
1. Must be currently enrolled in a 3-4-year advanced training program in prosthodontics which is accredited by the Commission on Dental Accreditation of the American Dental Association or a DDS/DMD dental program accredited by the Commission on Dental Accreditation of the American Dental Association. Additionally, graduates who completed an accredited prosthodontics residency program within 6 months prior to the Annual Session are also encouraged to participate. All others interested in presenting at the Annual Session are encouraged to become an ACP member and apply to present at the Member Speaker Forum Presentation Session.
2. Must be a member of the ACP or eligible for membership. You may submit your membership application concurrent with your poster application for review. DDS/DMD students must join as a Predoctoral Alliance Affiliate and eligible residents must join as a Resident/Graduate Student Member (see the following link for additional information: http://www.gotoapro.org/prosthodontic-resources/join-acp/membership-categories

3. The primary presenter is **required** to register for the meeting prior to being accepted. If a second person will assist in the Poster Presentation, they must also meet the above requirements and must register. No applicants will be accepted until they have registered for the meeting.

4. The primary presenter must present the Poster Presentation and be present at their poster during the required time to answer questions.

5. Commercial presentations will not be considered.

**Guidelines for Poster Preparation:**
- The number, title of the poster, and the presenter’s name(s) (maximum of 2 presenters) must be clearly displayed at the top of the poster.
- The poster must be secured with push pins to a bulletin board. Bulletin boards, 4’ x 8’, will be provided.
- There will be no tables or electrical outlets available for models, materials, or computers.
- Text, photographs, diagrams, and charts must be large enough to be read from a distance of three feet.
- Photographs should be no smaller than 8” x 10” for ease of viewing.
- The text should be consistent with the Glossary of Prosthodontic Terms, 8th Edition.
- Presentations must be limited to five minutes. The question-and-answer period which follows should allow for a repeat of the Poster Presentation every 10 minutes.
- Poster Presentation topics should be supported with substantial documentation to ensure credibility.
- All abstracts will be posted on the ACP website pre- and post- meeting.
